ON THE ROAD

OUR FIRST AWAY DAY

Welcome to issue two of The Matchday Standard, for our first League Eight match away from The Reeves.

On Sunday the Angels are the visitors, at Richardson Evans Memorial Playing Fields in Roehampton Vale, and our thanks go to Junction Elite FC for hosting us. It is the first competitive meeting between the two clubs.

Gameweek Two brought the response the squad asked of itself after an uncomfortable opening day. Sue's Angels beat Haydons Park 8-1, led 5-0 at half time and went top of League Eight. Ade Owolana and Charlie Dunkley both scored hat-tricks, Elis Brumpton scored his first competitive goal for the club, and Danny Cain and George Churchill made their debuts.

Two matches in, we are the only side in the division to have won both. Nobody at the club is reading much into that yet. Sixteen league matches is a long season, and most of them start like this one: away, early, against a side who know their pitch better than we do.

Thank you for following the Angels, whether you are at Richardson Evans on Sunday or reading from home.

Sue's Angels FC.

LEAGUE EIGHT · SUNDAY 13 SEPTEMBER 2026 · THE REEVES

SUE'S ANGELS

8-1

HAYDONS PARK

Sue's Angels FC at The Reeves.

A week after scraping past Three Little Birds, the Angels pressed high, kept the ball and led 5-0 at half time.

Charlie Dunkley laid the first on for Ade Owolana, who finished with his left foot in the 12th minute. Dean Knight headed a long ball into Leon Burnett's path, Burnett was brought down, and Andrew Allen handed him the penalty. He scored it.

Dunkley made it three, Owolana finished the fourth with his right foot, and Daniel McLane's lofted pass sent Dunkley through for the fifth before the break. Jimi El Bayati, back from retirement, started at the heart of the back three.

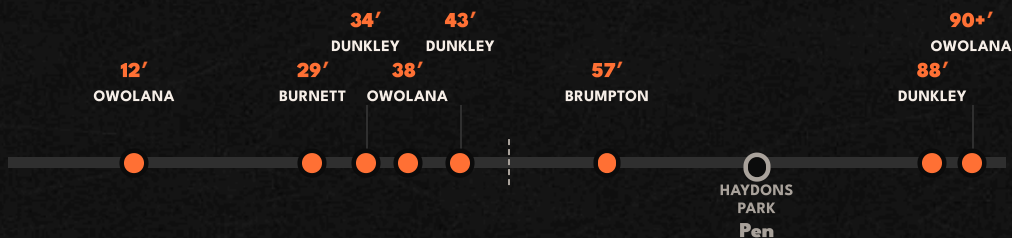

Danny Cain replaced El Bayati at half time for his competitive debut. On 57 minutes Knight's corner found Elis Brumpton, who headed in his first competitive goal for the club. George Churchill came on at left wing-back three minutes later for his.

The finishing then went missing, and Haydons Park scored a penalty after a handball on the edge of the box. Dunkley answered by curling a free kick around the wall to complete his hat-trick.

In stoppage time four Angels broke against two defenders. Burnett slid the ball to Owolana, who finished with his left foot for his own hat-trick and the Player of the Match award.

Eight goals, a clean sheet lost late, and a long list of chances missed after six. The Angels went top, and know it could have been more.

AWAY ON SUNDAY

THANK YOU, JUNCTION ELITE

The Angels are guests of Junction Elite FC Sunday 3rd Team for the first competitive meeting between the two clubs.

Junction Elite are a South West London club with their roots in Clapham Junction and Battersea. Adult football came first, in 2018, and a youth pathway followed in 2020.

The club now counts more than 450 players across youth and adult football and holds two-star England Football Accredited Club status, the FA's recognition of a safe, fun and inclusive environment.

Alongside the teams it works with The Junction Elite Project, which aims to widen access to sport through structured support. Its adult sides include a 1st Team and the Sunday 3rd Team the Angels face, both in the Southern Sunday Football League.

Their League Eight season began at home on 6 September with a 4-1 defeat by TSM Rovers, Liam O'Mara Leonard scoring. They had no fixture on 13 September, so this is their second league match and our third.

TWO RETURNS

One came back on 13 September. The other is set to return on Sunday.

CAME BACK • 13 SEPTEMBER

JIMI
EL BAYATI

CENTRE BACK • THE CLUB'S FIRST CAPTAIN

Jimi returned to competitive football against Haydons Park only a few months after announcing his retirement at the end of the club's first season.

He did not return for a ceremonial appearance. He started at the centre of a three-man defence, completed the first 45 minutes and helped provide the calm foundation for a 5-0 half-time lead.

At half time he made way for Danny Cain, who began his own competitive journey with the club. A handover from one of the original leaders to a new Angel.
