LEON BURNETT IN HIS OWN WORDS
OUT OF THE CUP, BACK TO THE LEAGUE
FIRST MEETING WITH TSM ROVERS

WELCOME · 1 NOVEMBER 2026

GOOD TO BE HOME

OUT OF THE CUP, BACK TO LEAGUE BUSINESS

Last Sunday hurt. After 90 goalless minutes at Juizo, we lost the shootout 4–3 and our run in the Marcus Lipton Cup was over.

There was plenty to respect in the performance. We stood up to a side from four divisions above us, defended properly and created chances to win the tie. The frustration is that we did not take them.

That result is gone now. What matters is the response.

TSM Rovers arrive with goals in their side and confidence from two cup wins. We respect that. Then we concentrate on us: play with purpose, defend together and make The Reeves feel like our home.

Our league start remains perfect. Four games, four wins, 20 goals and 12 points. We have earned that position, and today we have to earn the right to keep it.

THE MANAGER'S VIEW

This space is held for Steve's own words on Juizo and on the response he wants today. Nothing here is written for him.

What pleased him most at Juizo
How he read the tie before penalties

How quickly the focus turned back

JUIZO FC V SUE'S ANGELS · JUIZO WON 4–3 ON PENALTIES

Football can be cruel without being complicated. We had chances to win the tie, did not take them and eventually paid for it.

After 90 goalless minutes the match went to penalties. Juizo won the shootout 4–3 and our Marcus Lipton Cup run ended at Clapham Common.

That was difficult to take because the performance had given us a real chance. Against a side from League Four we competed throughout and kept our third clean sheet of the season. More importantly, we created enough to believe the tie could have been settled before penalties were needed.

The defensive work deserved credit. We stayed organised, dealt with difficult moments and limited Juizo when the match opened up. That made it three clean sheets in four games, with only one goal conceded across that run.

At the other end, the decisive pass or finish never arrived. Once the tie reached a shootout, the margin became as small and unforgiving as it always is.

THE RECORD

Competition	Marcus Lipton Cup
Venue	Clapham Common, Pitch 6
After 90 minutes	0–0
Shootout	Juizo 4–3
Outcome	Eliminated
Clean sheet	Third of the season

Credit the performance, but be honest about the outcome. We wanted to progress and we did not. Now we take the disappointment, learn from it and bring a sharper edge into today's league match.

GOOD ENOUGH TO STAY IN THE TIE.
NOT RUTHLESS ENOUGH TO WIN IT.

TWO PLAYERS WE CAN RELY ON

CHARLIE DUNKLEY · FORWARD

GOALS, ASSISTS AND RELENTLESS WORK

Seven goals. Four assists. Eleven direct contributions in the opening six games. Charlie has started the season as he finished the last: creating problems for defenders and chances for us. Only Ade has scored more, while nobody has more combined goals and assists.

The numbers do not capture the full shift. He runs channels, presses defenders, links attacks and keeps working when the ball is nowhere near him. Last season's leading assister now has 31 goals and a club-record 23 assists for us. He does not just finish attacks. He helps build them.

ANDY ALLEN · VICE-CAPTAIN

PRESENT, VERSATILE, DEPENDABLE

Some players make their value obvious in a highlight. Andy's is just as clear in how often he is there, how many jobs he can do and how rarely his level changes. Our vice-captain has featured in all six matches, starting five, with three assists and a part in three clean sheets, mainly from left-back and left wing-back.

That consistency is nothing new. He started 29 matches last season and contributed eight goals and ten assists, which are serious attacking numbers for a player trusted with so much defensive responsibility. The position may change. The reliability does not.

LEON BURNETT · MIDFIELD

Leon joined us this season and has started every game since: six starts, three goals and four assists. He headed in from Sebastian's long throw at Peps All Stars and set up Charlie against Three Little Birds on the opening day. In between he has spent most of the autumn finding the two men in front of him. We asked him three questions. These are his answers, as he sent them.

6	3	4
STARTS	GOALS	ASSISTS

1 HOW WOULD YOU DESCRIBE YOUR ROLE IN THE WAY WE PLAY?

"I'VE ADAPTED MY GAME THIS SEASON WITH SUE'S ANGELS. I LIKE TO THINK OF MYSELF AS THE ATTACKING PIVOT FOR CHARLIE AND ADE, AND WITH THE PAIR OF THEM IN SUCH FINE FORM IT'S A PLEASURE TO PROVIDE AND TO BE THE CATALYST FOR OUR ATTACKS."

2 YOU AND CHARLIE HAVE PLAYED TOGETHER REGULARLY AS A FRONT TWO. WHAT MAKES THAT PARTNERSHIP WORK?

"ME AND CHARLIE ARE STILL A WORK IN PROGRESS, BUT MY MAIN THING HAS BEEN JUST FINDING HIM AND ADE AS MUCH AS I CAN. CHARLIE'S MOVEMENT GIVES ME A LOT TO WORK WITH, SO I JUST TRY TO PROVIDE FOR HIM AS I WOULD LIKE MY TEAMMATES TO PROVIDE FOR ME. I BELIEVE IT'S CALLED PUTTING SOME LOVE ON THE PASS."

3 AFTER GOING TOE TO TOE WITH A LEAGUE FOUR SIDE AT JUIZO, WHAT DID THAT PERFORMANCE TELL YOU ABOUT HOW FAR THIS TEAM CAN GO?

"THE JUIZO GAME SHOWED ME THAT SUE'S ANGELS ARE A VERY ORGANISED OUTFIT AND A GREAT TEAM UNIT. ON ANOTHER DAY THAT GAME DOESN'T GO TO PENALTIES AND WE GET THE JOB DONE INSIDE THE 90, BUT I WAS ALSO IMPRESSED WITH THE APPLICATION SHOWED BY ALL MY TEAMMATES ON CLAPHAM COMMON LAST SUNDAY. EVEN THOUGH WE LOST ON PENALTIES IT MADE ME REALISE THAT WE ARE NO PUSHOVERS, AND THAT I MADE THE RIGHT DECISION TO JOIN THIS SEASON. I FELT THE TOGETHERNESS OF THE TEAM, AND THAT TEAM SPIRIT AND GRIT ISN'T EASY TO FIND AT SUNDAY FOOTBALL."

MEET TSM ROVERS

TSM ROVERS

LEAGUE EIGHT · FIRST MEETING

TSM Rovers stepped up from League Nine after finishing fifth last season. They have won four of their five competitive games this term, including both cup ties.

The goals have mainly come through Makheyi Chilumbi, with eight, and Vincent Narayna, with six.

That tells us where the danger is. It does not change our job: stay compact, win our individual battles and make the game happen on our terms.

THE VIEW FROM THE TOP

Four matches, four wins, 20 goals scored and three conceded. That start has put us top of League Eight, three points clear of Brockwell Violets, who have a game in hand. Three Little Birds sit a further three points back. The table has already changed shape: Mousa Mountain folded before playing, then Pure Football withdrew and their three results were removed. Eight clubs remain and there will be no relegation this season.

Fewer fixtures do not make the league easier. They leave less room to recover from a bad Sunday. Every point carries weight, particularly at home. Elsewhere today: Barnes Stormers v Junction Elite and Three Little Birds v Brockwell Violets, both at 10:30.

IF YOU WOULD LIKE TO HELP

TWO WAYS TO GIVE

This club does not run on a huge budget. It runs on people giving their time, their energy and, when they can, a little financial support. There are two completely separate ways to donate. One helps us cover the cost of running the football club. The other goes directly to the UK Sepsis Trust in Sue's memory.

TO THE CLUB

SUPPORT THE CLUB

Before we kick a ball at a home game there are already bills to pay. Donations help with:

- Pitch and changing-room hire
- League and cup fees
- Match officials
- Shirts, footballs and bibs
- First-aid supplies
- Matchday and media costs

There is no minimum amount. Payments are handled securely by Stripe and the club never receives your card details.

TO THE CHARITY

GIVE IN SUE'S MEMORY

We built Sue's Angels in memory of Susan Anne Martin, who died of sepsis. A donation to the UK Sepsis Trust helps support families and work aimed at helping people receive an earlier diagnosis.

This donation goes directly to the charity. It does not pass through the club.

Sepsis is the body's life-threatening response to infection and needs urgent medical attention. If someone appears seriously unwell, or you believe they may have sepsis, seek immediate medical help.

GOES TO THE UK SEPSIS TRUST

ONE DONATION HELPS US PLAY. THE OTHER SUPPORTS A CAUSE THAT WILL ALWAYS BE PART OF US.

THE CLUB IS BIGGER THAN THE ELEVEN

The 11 players who start today are only the visible part of Sue's Angels.

Behind every match, somebody books the pitch, carries the equipment, records the team sheet, updates the website, takes the photographs and films the moments we want to remember. That work grows with the club. So if you believe in what we are building, there is a place for you here, even if you never kick a ball.

PHOTOGRAPHY

Capture the football, the personalities and the atmosphere around the team. Experience helps, but reliability and a good eye matter just as much.

MATCH FILMING

Help us record goals, performances and full matches. Good footage supports our players, our coaches and everything we publish.

MATCHDAY SUPPORT

An extra pair of hands before kick-off or after full-time can make a bigger difference than people realise.

LOCAL PARTNERSHIPS

We want to work with businesses that understand grassroots football, community and the reason this club exists.

Tell us what you can offer and we will find the right way to use it. Nothing is too small, and nobody is asked for more than they have.

YOU DO NOT NEED A SHIRT NUMBER TO MATTER HERE.

THE SEASON SO FAR

SIX GAMES. FIVE WINS. ONE PAINFUL EXIT.

The 90-minute record reads five wins and one draw, with 24 goals scored, three conceded and three clean sheets. The full story also includes the part that hurt: elimination from the Marcus Lipton Cup after losing 4–3 on penalties at Juizo.

The performances have not all looked the same. We survived pressure against Three Little Birds, found our rhythm in two big home wins, controlled difficult away games at Junction and Peps, then matched higher-division opposition at Juizo without conceding before falling short in the shootout.
